

GOOD NEIGHBOR NOTIFICATION POLICY

Prior to the owner submitting an Improvements Plan Review Summary for consideration by the Hillcrest Architectural Review Committee, it is strongly recommended that all neighbors with immediately adjoining properties be notified of the planned improvements and allowed to review the sketch or drawings of the proposed improvements. While voluntary, this will expedite the review process for the Hillcrest Architectural Review Committee.

The owner has contacted the following property owners and reviewed with them a sketch or sketches of the proposed improvement:

(This section to be completed by the applicant)
